

OONA YERRI BOT WELL BODI PAN TRAVEL

Mus tell di resephshunist wan tem if during the past 21 days u bin don:

- go waka na **Guinee, Laibeeria, Naijeeria or Salone**; or
- you bin don go near di posin close wan wae don kaetch Ebola or we suntem don kaetch Ebola or
- posin wae don woak pan creechur dem wae comot na Guinee, Laibeeria, Nijeeria or Salone
- **en wae sef don kaetch dem sick ya so:**

Dem ting wae go make you no sae Ebola don cam:

- **Hai feeva (101.5 F or higher)**
- hade art
- wae you nee en bodi dae art
- you bodi broke
- all waetin you don eat dae comot back na you mot
- don you geh run belleh

Suntem sef posin wae don kaetch am dem sef go get:

- insai im belleh dae bleed en blord dae comot na im bodi
- im skin don get kratch kratch
- im yai don red
- ee dae get hiccup en cuff
- en sore throat
- en im chest dae hart am

Dem **don Ebola** na dem four kontree ya so enjoy if you cam near dem peepul ya wae geh Ebola en dem blood or any spittle, sweat or dem kine ting dae or comot from di marcheen wae dem use for di meresin, if ee touch you, ee kin make yousef geh di sick.

We tell tenkee for wae oona dae corba oda sick posin dem, don dem wan dae go tell how do, wit di wan dem wae dae woak dae.
